

Each Chug of Sayan Chaga Overflows with Healthful Benefits

Los Angeles, Calif. – September 1, 2009 – Although Sayan™ Chaga’s ingredient list might be a mouthful to pronounce, its building blocks are all natural and jam-packed with health benefits.

Manufactured by Sayan Health, Sayan™ Chaga contains one of the most potent adaptogens – eleutherococcus – and one of the most powerful antioxidants – chaga, which is also an adaptogen.

This strong combination of ingredients sets the flavorful health drink in a class of its own.
